Buffer Bear operates a network of high quality nurseries around the UK. Each one is a safe and caring 'family' working to give every child the best opportunities right from the start.

At Buffer Bear at Sutton your child can feel at home, make friends, and develop as an individual in a happy and stimulating environment. The nursery is registered for 66 children. It is arranged over two floors with five rooms to allow children to be cared for by age and ability. In addition to indoor play and early learning areas there is also access to a secluded and secure garden, and a church hall for various events. A full time cook provides meals on site.

Open: 7.30 am – 6.30 pm

Ages of children: three months – five years

Fees: Please ask for current details. Note that we can help you to claim up to 80% of nursery fees through Working Tax Credits
