

The **co-operative** childcare

Nurseries you can trust

Welcome to our nursery at The Forum - Wythenshawe

At The Co-operative Childcare, The Forum - Wythenshawe your child can feel at home, make friends, and develop as an individual in a happy and stimulating environment.

The nursery is registered for 100 children. It is arranged in four rooms to allow children to be cared for by age and ability. In addition to indoor play and early learning areas there is also access to a secluded and secure garden. A full time cook provides meals on site.

As part of The Midcounties Co-operative, parents are encouraged to become a member of the Society which enables them to receive membership points on their childcare fees as well as other co-operative services. We can also offer Co-operative Childcare Vouchers to parents whose employers offer this benefit.

The Co-operative Childcare Nursery, Forum Square, Wythenshawe, Manchester, M22 5RX
