

Buffer Bear news

Welcome to the Buffer Bear newsletter for Summer 2010

Congratulations!

We would like to congratulate Rachel on the safe arrival of her beautiful twin boys. They are named Leon and Brett and weighed 5lb14 and 6lb8 respectively.

Sam Andrew is also going on maternity leave from 20th August, she is expecting a little sister for Hayden, we would like to wish her all the best and will keep you posted on how she is doing.

Special books

We hope that you have been enjoying receiving your children's new look special books and thank you for adding your own pictures and comments. When the special books go home we do ask that they come back quite quickly as they are a work in progress.

Recent events

We would like to thank all the parents who attended the recent social evening, it went really well and we are planning to make this an annual event.

We are sad to be losing quite a lot of children to big school in September but we are having a graduation ceremony for them on 13th August and we will display the photos afterwards.

Parent's representatives

The next parent's rep group meeting is being held on the 15th September. If you have anything you would like to be raised in the meeting then please speak to either Linda or Nicole or one of your parent reps. You can find out who the parent reps are by looking at the board outside the office.

If you would like to join the parent rep group then please speak to either Linda or Nicole.

Door policy

Could please ensure that you do not let anyone enter the building behind you unless you are 100% sure that they attend the nursery. Even if a person has a child with them they may just be coming to enquire about the nursery. Also if there is someone at the door with you please let whoever answers the intercom know. These measures are in place to ensure your children's safety so if in doubt close them out.
